“ *Our deepest sympathy goes out to your family during the loss of your mother and grandmother. Mary Belle was certainly a matriarch of our Squire Community. I remember walking to church with her each and every Sunday. God Bless each of you.*

“ *Expressing my condolence to the family. Although I have lost touch with most of the folks at Squire, the Fowler name is part of the memories as I grew up there in the 50's. Just wanted the family to know I am saddened by her passing and pray you will be comforted with fond memories of her life.*

“ Expression of sympathy to the surviving sons and their families . My thoughts are with all of you and if I were not under the weather a bit myself would have made a personal appearance. Your mother was a wonderful person and many of us in Squire knew her all of our lives.
