“ I am so sorry to hear about your loss. I hope you all know that you are in my thoughts and prayers. Words always are so inadequate at a time like this, but please know that you are in my thoughts and prayers that the Lord will comfort you in the warmth of his arms and lead you through this pain. My thoughts are that she is with Mildred and who knows what kind of mischief those two are already into. They were such great friends. Please know that each one of you are in my prayers. God Bless you each and every one.
