“Granny Mabe,
There could never be another woman in this world as amazing as you are. There isn't a day that goes by that I don't wish you were still here with us, but I know that you are in a better place where there is no pain and suffering. I wish you were here to see me graduate in May and you could be here to see me later in life when I get married and have children, but I know that you are always watching over me and that you are always with me in spirit, even if you aren't here with me on Earth. I love you and miss you so much and I will always be your Kissy-Cassie.

“Evelyn, Brenda, Liz, and Trudy ~

The neighborhood will never be the same without your mom, but she is in her new home now. We can only imagine how happy she is and she is probably already at work planting tomatoes!!! And I know she is singing. Hold on to your memories and let them guide you during this time of sadness. You're in our thoughts and prayers every step of the way.

“ *I am so sorry for your loss. Your mother was always very sweet to me and had a way of making me feel very comfortable. I know that it has been years since I saw her, but I remember how good she treated me when I was a kid. She always had a smile to share and a sweet word to say.*

I pray that each of you find comfort in her love and the arms of Jesus at this time of loss and find the the beauty of "remembering" that made you love her so much.

God Bless.
