“ *I love my grandmother. She was always accepting and I always knew she loved me. When we would visit her as children, she made us feel comfortable and special. She was also unique and fun. She was a character and made you laugh. I have many wonderful memories of her.*

“ *My husband Jimmy and I would like to send our deepest thoughts and prayers to this family. I will always remember Aunt Liz for all of our 2 dollar bills that she always gave us as kids. And for all the laughs and memories that she gave us. And all the Thanksgiving dinners that I got to spend with her. I will always cherish those memories. I love you aunt Liz and will miss you.  
Love Kathy*
