“ *Thanks to everyone for the nice memories and wishes, I am a little slow.  
Mary is where I wish to be one day. I don't think the Good Lord is through with me yet. The Lord blessed me with a kind and understanding wife. She could always pick me up when I was down. I miss her every day and I don't think that will ever change. Never me sure your life with a calendar but instead measure it with your heart. Thank you Lord for Mary and the time we had together.

“ I was blessed to have met Mary on two occasions; she was warm and welcoming and embraced her niece Cheyenne and me with open arms. She has always carried a special place in my heart for the wonderful person that she was. She will be missed, but never forgotten.

Mary I know you are with our heavenly Father, walking with the angels while we are here saddened but with hope to see you again in the everlasting eternal life.

Mike my sympathy is with you and the rest of the family.

May God be with you at your time of loss and sadness.

Sincerely

“ I remember meeting Mary when Mike's mom, my great aunt Phyllis was in the hospital and then again at my sister's wedding. She was always full of laughter and joy even through her considerable health issues. Mike, I know this is such a sorrowful and difficult time for you, but I am certain you take some measure of comfort knowing she is out of pain and discomfort now. My thoughts, love and prayers are with you at this time.

“ To my dear ol' buddy, Mary....  
I will never ever forget your friendship and will always cherish the years together at "BGHCC". Although friendships drift apart, memories never die...and I will always hold you in that special place in my heart, that you carved back in those good old days.  
I pray that your family heal from the aching of having to let you go....and I KNOW the Lord will help take care of HIS creatures that he created....those beloved doggies of yours that always were your "children". You and I had something about that, in common. I will never forget the talks...the laughter....and the love.  
Your friend forever....
