“ *Please accept our heart-felt sympathies to each family member. I have pleasant memories of Aunt Mary from my childhood, but remember most recently my Father, Milton Shelton, connecting with his sister and enjoy talking with her before he recently passed away.*

“ It is with a heavy heart that I heard the passing of Mary, but still I must rejoice knowing that she is finally Home. I can see her now surrounded by family already there. I can't help but think that she and Joy are together, walking hand in hand. Mary was a dear friend to Joy and to me, and she will be missed. Now we must trust in God that one day we will join them both and walk the streets of Heaven side by side. My prayers will continue for each member of the family. I would like to be there with you, but am unable to travel at this time. With love, Herbert

“ Dear Lord,

I know that you needed an angel and that's why you called Momaw Mary home to be with you. Please let her know that we miss her so much and that we love her.

*Thank you dear Jesus
Amen*

Momaw Mary,

I know that you are not in any more pain and in my tears I still try to find a way to be happy for you bc I know that you are finally home and with my dad your son Ervin. I have so many great memories of you from when you lived with us when I was younger! Even though you were only my step grandmother you never made a difference between me and my sister from your blood grandchildren. You took us in under your wing and treated us as we were yours. You took me to church many times and I thank you for that. I remember staying with you and not wanting to go home bc you treated me so good and of course you would keep me in line. :) There is so much I did not get to tell you! It was so hard to walk up to you tonight but I finally made it and I'm glad I did not leave before I came up to you bc I would have hated my self if I didn't! I love you more than anyone will ever know and you will be in my prayers forever more!
