“ *Connie,
I'm so sorry about your mother. She was a precious person. I wish
you were moving into her house, but my sister told me that your job,
allowing you to take your son with you, keeps you in Roanoke.*

“ Dear Connie and Gina,
I first met your mother when I took my daughter to the library for their programs and later I worked with her at the library. She was the best representative any library could have. Efficient, yet so warm and welcoming to any one who came by her desk. Her smile lit up a room. I will never her many thoughtful and kind gestures to my daughter and me. I know you both will miss her and your dad, but it will comfort you to know they're resting in heaven now.

“ Connie and Gina,I didn't read today's paper until 10:00 tonight. So sorry your mother has gone to her reward. I'm sure she and your dad had a happy reunion,but it is hard on you losing both so close together. She had so many years of poor health, but that's over now.
Lara wanted me to express her sympathy too,,,didn't have your address and her browser died some time ago so can't send e-messages.

“ Dear Gena, Connie and Family:

Sue was always a very upbeat and friendly person. Although she was sick for many years, she never let it get her down. She and Gene always came to our class reunions and we all loved her. She was an inspiration to us all. A smile was always on her face and she just took life as it came and never complained. We will miss Sue and Gene but will forever be glad that they were in our lives.

Sorry we will be unable attend the funeral. We are still in Florida. However, both of you and your families have our sympathy and our love.
