“ *As long as I remember Ruth and Bonnie was a great help to me and my family. They provided fresh milk, butter, and buttermilk they worked hard everyday in the garden canning food and drawing water from the well. I've ate many meals at there table. I will never forget them for their caring and always a prune cake for Christmas. Rip dear ladies. Sam Russell Oakhill Wv 304-640-1748*

“ *To the care givers of Ruth, my prayers and thoughts are with you. It takes special people to do what you did. May God bless each one of you and always keep your memories of her close to your hearts. I never got the chance to meet Ruth, but I always wanted to talk to her about her life and family, since she was the last surviving member of her immediate family. I was saddened to learn of her death. I am currently working on the McGraw family history and would like to talk to someone that knew Ruth. If anyone can contact me, I would greatly appreciate it.*
