“ To each of you,  
May it comfort you and your family to know, that when you lose a loved one who has meant so much and touched many people 's lives, the grief that you are feeling cannot take away the happiness you all shared, and that sorrow will fade in time but the love will remain forever. With caring thoughts of all of you in the loss that you bear. May you find strength from each other to help you through this time.  
Sincerely,  
Aaron and Darlene
