“ Lora, Kenny & William, So sorry for the loss of your mother! I've been where you are right now. It's a long hard battle, dealing with the loss of your mother! But y'all can do this with the help of Jesus Christ, he's our only hope, without him we can't make it! Sympathy & prayers to all of you & your family, as well as all the friends Maudie left behind! She could always make you smile even when you didn't know you could! She's going to be sadly missed by all who knew her! Probably won't get to be at wake or funeral, but remember God is with y'all! I'll be praying for you guys! With all my love, Sue Pruitt & family!

“ Lora, Kenny, & William, to all of you & your family, I have been where you are right now. I love you all! I'm probably not going to get to come to funeral or wake! I don't have a ride, as you know. But I will certainly be praying for all. Maudie was special to so many people. She could make you smile when you didn't know you had one left. Keep up the faith that we can see her in Heaven someday soon. Love you, & here if you need me! Love Sue & family
