“ Sue, Mike, Melissa, Brandon, & Brett~

Sending to you all my deepest heartfelt sympathy on the passing of Bernard. He was such a sweet person with a kind word and smile to share with everyone! When I would run into him out, we would spend a few minutes talking and the two things I always took away with me was how much he loved the Lord and his family and how proud he was of Brandon and Brett. I know your hearts are heavy and the days ahead will be long and very sad at times, but may you find comfort in knowing he is now in a place where pain and suffering are no more and he is home safe in the arms of the Lord!! What a wonderful legacy he left behind for his family!

Keeping you close in thoughts!

Bobbie

“ Sue and Family,
We are saddened to hear that Bernard has passed. He will be sorely missed because he was the kind of man that left his imprint on everyone he met with his amazing smile and genuine friendship. Jerry has spent this morning telling me stories of the good times they shared at S&S and how every person who worked there respected and honored Bernard. I reminded Jerry of how we both looked forward to seeing you and Bernard at Food City on Saturdays. We are sorry that we cannot be there to support you and the family during this difficult time. Please know that you are in our thoughts and prayers. While we all must deal with the grief, Heaven is surely rejoicing that another of God's children has come home. We will meet again with this remarkable husband, father and friend to so many. All our Love
