“ *Chris & Charlie,*

I did not realize that Mrs. Taylor was your grandmother. I just wanted you two to know that I am deeply sorry about your loss. She was my third grade teacher and your Aunt Hattie & Uncle Ernest took my picture ever since I was an infant.

You two are in my thoughts and prayers! I hope to see you back down at Strong Tower very soon. If you need anything at all, please do not hesitate to call or email me anytime.

I love you guys and May God Bless YOU BOTH!!

“ *Claudia and family,
I am so sorry to learn of your Mom's death. I know the loss you are
feeling.*

*Your memories are your keepsakes
From which you'll never part
God has her in his keeping
You have her in your heart.
Although her presence is gone
And she cannot be touched
Thank God for the memories
They will always mean so much.*

*May you be comforted by the prayers being lifted for you, embraced
by your memories and held in love by your faith. My deepest and
heartfelt sympathies!*

*Love,
Jane Ellen*

“ claudia, i know that we won't be able to talk very much at the funeal home.

i just wanted to tell you how much that aunt nancy means to me. i hope i will never forget growing up and my time with you, nancy, and bill. i loved my childhood and loved my visits with you all. as you know she was or is the most lovable person in my memories. i know i didn't take time to call or see her as i should have. i will always regret that. i hope she knew how much i love her. i hope that we can always keep in touch. people always seems to get caught up in our daily retunes. what i am trying to say i love you and miss you. i hope we can stay touch better than we have. anything i can do to help let me know.
