“ *Linda,*
So sorry to hear about your time of grief. It is so difficult during these times to find the right words to say that can bring comfort for your heart. May you and your family find comfort and peace in knowing that God will provide your needs during this time and in the days to come. God bless you and your family. You are in our prayers and thoughts.

“ *Sure am sorry to hear of Goldie's demise. Knew she was in bad health from hearing from Velma. My prayers and thoughts are with the family and hope all are holding up well. Am doing a genealogical reserch on the Mabe family and would appreciate hearing from some of you. All of the older ones are going fast and there is a lot of history being lost. God Bless each and every one*
