“ *Jeff and I send our deepest sympathy to her family and friends. We purchased her home in Cape Coral and would like you to know that we are taking very good care of her home - just as she would have wanted.....Brandon is still cutting the grass and told us about her passing....my husband met her when he came down to look at the house and said what a lovely woman she was. I wish I would have had the pleasure of meeting her. May her memory be eternal. Respectfully, Jeff and Irene Roff*
