Ms. Belton was such a nice lady. She always brought sunshine wherever she went. I will miss her smiling face at Richlands Elementary, where we have her granddaughter, Jaden. May God Comfort and keep you all.

“ *Aunt Nancy was herself an historical part of Richlands. She was always part of my life, near or far. We hadn't talked in a long time but it never mattered. I always had a place to stay when I would visit. She showed nothing but kindness and love to me and my children. I'm glad she got to meet them all. I will miss her dearly and regret not having visited her before she passed. She was known by many and loved by most. Funny thing is you may not have known her, But she probably knew you or something about you. :) Ahhh, the stories she would tell me*

I'm so sorry to hear of Mrs. Belton's passing. She and I shared a hospital room for a day and night when our children were born. She was a friendly lady and we shared that special time in our lives.

“ *Dear Family,*

Your loved one was also very special to me. Lisa and Stuart, while you were in my class (so long ago), she was one of the best and most concerned parents that I have ever known. She was so kind and loving, and I truly appreciated her. May God give you strength, hope, and support. My prayers are certainly with you.
