“ *I am so sorry to hear of the lose of your mother J.R. I know all too well what the lose of a parent can do. With time you will find a way to deal with such a lose and help Ethan to find a way as well. Soon your tears will fade into laughter when you think of your mother, she loved you and Ethan so very much.*

“ *Pat and Jean,
We are so sorry for your loss. I know how hard it is to lose someone you love, and I pray for you both. May the peace of knowing you will again be together some day help you as it does me. I am here if you need me.*

“ *I didn't really know Nancy, but I had became friends with her son JR about a year ago. I had only meet her a couple of times and she always greeted me with kindness. I would just like to say that if she was anything like JR has been in the past week towards me in my moment of tragic loss, she must have been a good women. I am sorry to all her family for this loss and most of all I would like to say I'm sorry to JR, you have been there for me in the past week like few others have and I appreciate and respect that.*

Sincerely,

Jason Whited

P.S JR, if you need me you know the number man, it helps to talk to somebody, I know it's helping me right now.

“ Jean and Pat

Words can not express our sorrow to you.

You are in our thoughts and prayers. May God give you comfort in time of this mighty storm that you are facing. Known

Nancy most all of her life and really thought so much of her, when we saw her at the Pig Roast, I really had high hopes that she would get better, never saw her that she didn't have that big smile on her face. She was Diane's best friend and that meant a lot to us because she really felt like family when we saw her. Back in their younger days, you never saw one of them without the other one. We love you both and will be praying for you. Pat & Jerry Warner

“ *To Mrs. Stiltner, Pat, Teddy and the rest of Nancy's family, my sincere sympathy at Nancy's passing. I had not seen her since she sat with Buford and I was working Home Health. She was always laughing and I enjoyed my visits with them. Our 35th Class Reunion was this past weekend and someone said she was ill and couldn't be there with us. We will keep her memory alive during our Memorial Service at future Class Reunions. I know she has had a rough road this last couple of months but she is at peace now. May God wrap His loving arms around the family and guide each of you through this difficult time and in the days to come. My Prayers are with you.*
