“ *Jeannie*

So very sorry to hear about your Mother.

I really thought a lot of your Mom. She was always so good to me.

It's been many years since our childhood and you may not even

remember me, but I can remember going to school with you. Aunt

Pauline was talking about your dad and mom when I went to see

her last time, she said they were both pretty sick. Will be praying for

you and your family. May God grant each of you peace and comfort.

God Bless. Pat Reedy Warner
