“ *So sorry to hear of Aunt Nancy's passing. We knew that we were in her heart and prayers as she was in ours. She will be greatly missed. She was one of my favorite people. We always looked for her Christmas card as it was generally the first to come.*

We regret that we cannot be there to honor her but we are in Florida visiting Bobby's family and have just learned the sad news.

Our deepest sympathy to all her family. God be with you.
