“ We are so sorry for your loss. I have so many wonderful memories of her while growing up on Laurel Creek and both of us cherish our visits with her in later years. Please accept our condolences and we wish we could be there with you in your time of sorrow.

“ I remember Sunday School at the Chapel and we were all there every Sunday, and your family looked like a picture, your mama always smiling and beautiful and Jettie and Mona in pretty little white dresses and patent leather shoes, and Ronnie in a little suit that showed off his shiny dark hair, but the main thing I recall is how very brave your mother was after your father died, the birth of Dexine and Top keeping on keeping on, working hard and raising you in the best way. She is a person to be admired and she did a good job with you children. She kept the dream alive, in those days, not too easy. God bless you, and we love you.  
Lorine and also for brother Cecil, the only two left out of ten.
