“ Narcie was a waitress at one of my favorite restaurants when I was a child back in the 70s and she so incredibly nice and made everyone feel welcome. She knew my mother and her family and was related to some of my paternal cousins. A lovely woman. It gives me pleasure to know she lived such a long and love-filled life. May she rest in eternal peace.

*To my mommy-in-law, do I have regrets, yes. I wish I had the wisdom and knowledge at 17. She didn't like me but I realized it wasn't me, it would have been anybody that married her baby. Boy did we have issues. But I grew to love her, and we had lots of fun throughout my 42 year marriage to Bill. One day she called to see if I was home. She said ' I got a problem". I told her to come on out. She said one of her teeth fell out of her dentures and she super glued it back but something went wrong. I said well let me see. She smiled and started laughing, I LOST IT. I fell in the floor laughing. It looked like a fang and stuck almost straight out. We couldn't stop laughing. She said can u help me so she took them out and I got a tiny screwdriver and tried to scrape the glue out and it didn't work. She said " I can't go out like this with this tooth hanging like it is. I said well Narc u gona have to go to the dentist. We laughed all afternoon. Rest in peace, so glad she got saved. I hope Elmer was there waiting on her saying bout time you got here. I hope she saw my grandma and daddy. Narc we will be ok, I hope you knew how much you really meant to me.*

Loved to call her on the phone and talk and visit with her & laugh & listen to her stories-- and she had plenty of stories!! She was always laughing and had a Big Smile!! So Kind & Sweet & Spunky! -- We will surely miss her!! Her loving , caring, & dedicated family was blessed to have her for so many years; & you will be blessed for the loving Care you gave her! She was the perfect example of a hard-working, loving Mother. We Love each of you & Pray for Peace & Healing in the days ahead. Love You-- Eddie & Juanita Jessee Abingdon Va*

“ I loved Aunt Narcie so very much. I would call her and when I did we always said hey old lady. She said I will old lady you. I am going to miss her very much. I am so glad that I went in to see her this past Christmas. We had a great visit. She always wanted one of my rings and I told her she could not have my jewelry. Needless to say she always ended up with one of my rings. Lol. I am going to miss her so much. We laughed and play argued all the time. She told me she was going to beat my A\_\_. Then she would let out a big laugh. I think we laughed more than talked whe I called a lot of the time. She always had to go down the list of how is everybody. Then tell everybody hello. I don't no what I am going to do now that She is gone, my heart is really hurting. I loved her so much. I have always had this special bond with her most of my life. Oh Aunt Narcie, I love you and miss you and will see you again. God Bless you. Deepest sympathy for Bobby Joe MaryLynne and Billy and all the rest of the family. Please know that she is no longer in pain. I love you all. You all are in my prayers.  
Love,

“ Aunt Narcie was mom's last living sister.  
I spend many a summer growing up in the holler with all. We used to have big old great family reunions and uncle Elmer was still living. I wasn't able to see her for years. Family there kept us updated. She was a character, knew everyone and loved going to Hardees in the morning. Mary Lynn had a great playhouse on moutain behind the house. Lord, we had fun playing in it and playing in the creek. She will truly be missed there by her children, everyone knew her had to love her.  
Mom, Katie Ruth Moore had the best family for us to know. She used to tie me in a rocking chair so I would stay off her toes following her wherever she would go.  
Everyone said I was just like her, that temper was bad & still is for me to this day & I am 72 years old.  
She was a beautiful woman.  
RIP. Love to the family there.  
Thinking about you.  
LOVE ALL.
