“ Noah, Buck, Minnie and Barbara,

Because of the snow we felt it best not to come tonight, but we hope to be at your mom's funeral tomorrow. When we think back to moving to Jewell Ridge all those years ago, there are two things that stand out: one is Noah helping us get our U-haul truck up the hill at Perkin's Gap and pulling us out of the ditch with his tractor on Bearwallow Hill, the other is the warm welcome your parents gave us during our first year here. Your mom was a true force trying to help people in need—to really help them, and we admired her for that. She was always so animated and interesting to be around – we really appreciated her friendship. When your dad was taken so suddenly, our hearts cried out for you, but especially for your mom, who would no longer have the life she so cherished.

We are grateful that she lived so long—to see her children grown, her grand children grown, and her great grandchildren passing through their youth. What a blessing she was for us all.

I was very saddened to learn of Helen's passing. My prayers will be with each of the family. Helen was a well loved and cherished pillow of the community. I have only the best of the best memories thru out my lifetime of her and the family. May God be with each and wrap you in his tender loving mercies and give all the strength to get thru the rough times ahead. Helen-as well as my own parents will now reap the heavenly rewards she strived so much for while here on earth.

Buck, Minnie, Barbara and Noah,

Was so sad to hear about you mom, I can still remember her picking me up and taking me to church, I know I would not of gotten there had it not been for her. She will always have a special place in my heart.

May God give you strength thru this difficult time an until you meet her again in our heavenly home.
