“ *I was truly blessed to have had Nell as my Aunt! She was a wonderful, caring, happy person; everything she did she did with excellence! She had a great mind and a good sense of humor up to the end. We all loved visiting her; she made us laugh and I could feel her love for my entire family. From a child to an adult her love never changed! She was such a special lady, I will never forget the many memories we have shared.*
