“ Mom, it’s been 4 months since God called you home and Bobby and I miss you so much. We talk about the times we spent together picking berries, going shopping and especially going to church with you. Seeing you receive the Holy Spirit and doing your little dance will forever be etched into our hearts and minds. We are so thankful and blessed to have been with you when you were named Mother of the Church and when we celebrated your 86th and final birthday here on this earth. Our memories of helping you remodel your home is another memory that Bobby and I have and will always cherish We love you and miss you but we know that you are singing, dancing, and smiling in Heaven with “Daddy”, John D.

“ Sending prayers for comfort to this precious family until smiles replace the tears on your face once more. I was privileged to become acquainted with the family years ago. I care for them in such a special way. Nina was a special woman to so many. She will truly be missed. The community in which she lived will not be the same. She will certainly be welcome in God’s Kingdom. Sending our condolences to each of you during such a difficult time. Love you all. ❤️🙏
