“ *Angela, I am so very sorry for your loss. This breaks my heart for you all. I know your grandparents & your parents (which I loved all 4 of them dearly, growing up beside them & working with them at CVMC) were happy to see her again. Praying for you & the family during this very difficult time.*

“ I have known Noella for I guess 12 years or more. I worked with her at Burger King years ago and then in CVMC Dietary. Last year we reconnected and I can say she was the same sweet Noella. We talked about how her son's name was Nicholas Gage and how my grandsons name was Nicholas Kain. She was such a sweet and loving friend. I'm gonna miss you my sweet and precious friend. You rest easy baby girl.

I didn't know Noelle as an adult but remember her as a sweet little blonde haired girl. I get tears in my eyes thinking about that little girl. I know she will be missed by her sisters but welcomed by Ray and Sue.
