“ *I remember the first time I met, Norma. Just started work at Cuz's, and was very nervous. I had never had a job, just separated from my husband, and so unsure of things. She came up to me and said, you look like you need a hug. And she did, gave me a hug and told me everything was going to be alright. She was my best friend from then on. Always ready to help people, any way she could. You will be missed by many.*
