“ I will miss my mammaw so much. When we would always go down there she would always have something for us. Soup beans and cornbread would be cooked. Everytime. She was always giggling at herself and had a dynamic personality and loving fiery soul. She was always buying stuff she didn't need. She loved her home and yard, enjoying some gardening. Always on the go and getting into something. May she now be peaceful, calm and free. She will be missed. It will never be the same.

Always go down for the holidays and other times and it will always be soup beans and cornbread cooked. Always...enjoyed her yard, trees and plants. Always buying something she didn't need. My mom and her talked everyday 2-3 times a day. Life will not be the same.*
