“ No doubt many people have expressed words such as "It was for the best", or "It was God's will". But, trying to find something positive about death is not always easy to the family who is grieving, like you are. I myself will not tell you I understand, because I can't imagine the pain you are feeling right now. So, finding the right words to say is difficult. That is why I wanted to take the time and allow God's words to comfort you.

*The Bible assures us at (Psalms 34:18) that God is "near to those that are broken at heart; and those who are crushed in spirit he saves." Isn't that a beautiful thought? Yes, He is near to you right now. No doubt, you have communicated to God, who is called the "Hearer of prayer" at (Psalms 65:2). Not only does He want us to throw our burdens upon Him, but he also has the power to sustain us. (Psalms 55:22) Jehovah God can and will equip you with "power beyond what is normal" to cope with your loss from one day to the next. (2 Corinthians 4:7)*

*There is a brochure entitled - When Someone You Love Dies, and it has proven beneficial to many who have lost loved ones in death. If you would like a free copy, email me or leave a message at the Kingdom Hall of Jehovah's Witnesses (276-988-2330). Again, I am so sorry for your loss.*

*I am sorry for your loss. Ollie was my great aunt. My father is Jerry William Grant, Pauline Otey's son. Pauline Otey was Ollie's sister. The obituary incorrectly says Pauline Odum. My sister and I have fond childhood memories of seeing Ollie at my grandmother's in Orlando, Florida. This, of course, was years ago as my grandmother, Pauline died October 10, 1981 in Orlando, Florida. Ollie was a very sweet lady as I recall. My aunt Susan and father speak highly of her. I look forward to seeing her again in heaven.*

“ It takes a beautiful, loving, & very caring sole to live on this earth a hundred and one years. I can't ever remember meeting Aunt Ollie but the pleasure would have been all mine. I feel in my heart she was an amazing woman especially if she was anything like my Grandma Whited (Anna) which she sounds just like her. I can't express enough how deeply sorry I am for all who knew her; especially family and there loss. The loss of someone so special leaves a deep wound that only time & pain can heal. May her memory never be forgotten and live on inside each and everyone of us through generation after generation.

*My sincere love to all,  
Hannah*
