“ My heart is heavy for you all. I know your pain and the void. Aunt Opal was a strong and sweet lady and she passed it down to her children. My mother loved her dearly and I know they are laughing together right now. And I know she was a child of God and she is walking on streets of Gold. I'm so so sorry for her sweet family left behind. But it will only be for a little while and we'll all be walking together. I'm praying for you all and Debbie I know your heart is broken treasure your memories and her love will always be with you. Sending love to you all .

“ *Of all our many Blessings; however, great or small. To have had you for a Sister was the greatest one of all. The family chain is broken and nothing seems the same, but as God takes us one by one the chain will link again. Until that time, dear memories of you will be tucked away in our hearts to stay as we take your passing day by day. We love you sister.
