“ *I met Pam when I was dating Doug, thinking they were divorced. Then I met the kids, Doug, Sherry & Joey. Pam gave me the privilege of raising Sherry til she left home and got married. She made me the happiest woman alive when she did this. Pam was giving a part of herself away that day. But she always had Sherry's love. Pam could be the life of the party or the quietest person in the room. One thing I will never forget about Pam is that she loved birthday cake. She helped me polish off a few. LOL And she could leap across anything when she wanted to get to someone. She was a good mother and deserves a nice place in Heaven. Rest in Peace Pam and fly with the Angels.*
