“ Aunt Pansy will always be a very special person to me. I love her zest for life, her perseverance, her love of family, her sense of humor and her most wonderful smile. As a child a visit from her and her family is one of my most treasured memories. One summer I spent a week with the Bandy family and to this day It's like a movie in my mind as I recall the fun and feeling of being part of your family. Although years have sent us all in different directions, it has not changed the warm loving feelings that I have for the Bandy family. May God console you in your grief and help you to find peace.
