“ I think all the stars in the night time sky
Are mothers watching from the sweet bye and
bye
A bright shining light on a moonless night
To guide their children to do whats right
They send us a message from heaven above
Of GODs grace and a mothers sweet love

So when I am worried or have gone astray
Mothers light is shinning to guide our way
I know we will miss you here on this earth
But you are in heaven AMEN -a new birth

We love you mom-Barbara & Raymond

“ You can be a mother-in-law-but to me she
was more -she was my mother, my friend, a
spiritual advisor, a heart that listened and did
not judge-someone who gave love and asked
nothing in return. I will miss you mom but I
think God knows you will always be there for us!!
