“ I remember holding you in my lap and singing  
to you when you were a little girl and I baby  
sat for your mom and dad. I watched as you  
grew up and had children of your own. The  
last time I saw you that we got to talk, you still  
were that same sweet wonderful person I knew and loved. While it  
has been a while since we talked face to face, we still managed to  
stay connected and chat. I will always remember you. I wanted to  
be there for your funeral but didn't get to make it. So thankful for the  
memories we have shared.
