“ *Liz, I was so sorry to hear about your beloved sister's passing. I just found out tonight, Thursday. I know you will miss her so much, since you have spent most all of your life caring for her every need. What a great sister you have been! The Bible says that there is no greater love than this, that a man lay down his life for his friend, and you have surely done that for Patty. I know that God will reward you for all you have sacrificed for her, even though I know you did it out of love. Now Patty is in heaven!!! And she is whole and praising God with the angels.*

For your love now assured*

*For all the roads in life you paved  
Each straight and narrow path  
Your goal of loving everyone  
Life's bounty now will last*

*Your gentle heart and giving ways  
Are things in life acquired  
But now an Angel in the sky  
Your beauty is inspired*

*All those who have loved you so  
They think of you each day  
Look up to the sky and see  
The rainbow you display*

*A special Angel walks with you  
To comfort you each day  
Knowing that your life on earth  
Has brought God's love to stay*

*With all of those who loved you*

A moment of your happiness  
Is treasure that they hold*

*Today you walk in peace of God  
An Angel by your side  
Comforting in many ways
