“ *Pat was my best friend. I loved her very much. I never went to
Tazewell unless I went to see her for a long while. This was a big
shock to me. God bless SUE and Brent my prayers are with you

“ I am so sorry of learn of Pat's death. She always had a smile when you saw her and was so friendly with everyone. I can see her now following Dr. McVey down the halls of the Mattie Williams carrying charts while making notes. I know she will be missed by all who knew her but she will only be a memory away. My God comfort and guide during this time of grief. I will have you in my thoughts and prayers.

Love,

“ Words cannot express my sympathy for the loss of Pat. She was one of the dearest friends I have ever had. We worked together for over 25 years and I dearly loved her.
