“ *Dear Family, please accept our deepest sympathy. We lived across the street from the Sneed's in the Brickyard, came to know and love this family when I grew up on Center Street that's when kids could play in the street and neighbors helped one another. Patty and I remained friends over the years not as close as one would like to but when we did run into each other we just picked right up like no time had passed. Praying for God to comfort your hearts now and in the days to come. Love and Prayers Judy Peak VanDyke and Mrs. Peak & Jessee*
