“ *Cathy you know you are in my thoughts and prayers. Your mom was a very SPECIAL person. Everyone who was acquainted with her loved her. She was always willing to do for others even when she could barely do for herself. I know she loved all of you so much and prayed for you all every day. She was so proud of the kids in all that they did. She bragged on her football players and little cheerleader, all the while longing to go watch them on the field. She was definitely proud of you and the woman and mother that you have become. She loved you so much. She will definitely be missed but we must remember that she is no longer suffering and is now in a pain free body waiting for all of her family to meet her in her heavenly home. I love you all very much and I am here for you if you need anything.*
