“ *Pat was truly a wonderful person. She was a pillar of our community, a blessing to my family, and a best friend to my mother. My memories of Pat will always bring joy to my heart. She always had a sweet smile upon her face and a kind word to say to everyone. She was wholesome and genuine and she will be missed by all who were lucky enough to have known and loved her.*

“ *Pat once said I was the smartest person she knew , that was one of the nicest things anyone has said about me . I am happy to have Pat and all her family to be a part of my life .In the Bible it says to be absent from the body is to be present with the Lord . I say this worlds loss is Heavens gain . With love , Brian Estep*

“ So sorry to hear of your precious mother and grandmother’s passing. I was asking Margret a couple of months ago if she ever came back to Jolo. She was such a sweet person. I remember her from when I was a teenager. She always reminded me of the perfect T.V. Mom, like Father Knows Best or Leave It to Beaver’s mom. Praying for all of you and those who loved her.

PS

“ Pat was an icon in our neighborhood, a true example of integrity, friendship, generosity, and dedication to family. When I was growing up, her daughters and I enjoyed playing together at the fence between our homes. Pat and my mom were often there, too, best friends talking and laughing together. I remember last year telling Pat on the phone that “they don’t make them like you and my mom anymore”. She seemed to enjoy that, laughing and agreeing that it was true. So I’ll say it once more: Pat, they don’t make them like you anymore, and you will be dearly missed. Rest in peace.
