“ I was terribly saddened to hear of Pat's passing. Pat touched the lives of so many people during her time with us. I've known her since I was a child as a friend of my mother's and later worked with her at BRMC. While working L&D, I was there when Chris was born and worked with her daughters Chea and Kellena in later years. My heart goes out to her entire family during this time of loss. May God bless you all with the strength to get through this difficult time, the peace to bring you comfort, courage to face the days ahead and loving memories to forever hold in your heart.

“ To all of Pat's Family,

I am so sorry to learn of Pat's death. I always enjoyed the times she and the kids visited with Hazel and Bert. What a reunion she has been having with all the family and friends that have preceded her. While those people are rejoicing her family and friends she has left behind will be greatly missing her.

May God wrap His loving arms around each of you and comfort and guide you during this sad time. Sadly missed along life's way, but quietly remembered every day...

No longer in your life to share, but in your hearts, she'll always be there.

I am sorry I am unable to be with you due to some health problems but will have you in my thoughts and prayers.

Rocky and Pat send their sympathy and love also.

Love,

Jane Ellen
