“ Trish, You were always the calm even when there were storms around you. I have nothing but sweet thoughts about you, and I am glad you aren't in any pain. I am selfishly mad that I can't call and hear your voice again. Bruce, I am sending you hugs and hoping for peace for you during this time. Norm and Julie, I hate all the emotions that you will go through. Lean on family and friends to help you get through them all. Ya'll have been a 2nd family to me. I have been and will continue to be here if you need anything. My condolences and love.

“ Patricia, as first cousins, we grew up together but yet we were worlds apart, but never separated in our hearts. I couldn't wait to spread my wings and land wherever I felt comfortable and you, my preserved, quiet, and beautiful cousin, you knew your path of destiny at an early age by becoming the wife and love of your life, Bruce Mullins. You remind me of a beautiful soft pink rose, just one look and everyone feels loved by all those in your life.

🙏 Rest in Heaven, Sweet Angel 🙏
