“ Pat was a "one of a kind" very special lady, a true Southern Lady in all aspects of her life. Pat was always the same no matter where she encountered you. A very caring, loving person who put others above herself. Pat was very kind to my daughter when they worked at the Jewell Smokeless -she was kind to all her co-workers. She certainly will be missed but we know heaven has gained an angel and she is reunited with Rick and Brandon and other family members. Prayers and special thoughts for the family at this difficult time, take comfort in your memories and always hold them close as these will get you through the days ahead.
