“ *Maw Maw Patsy had one of the biggest hearts around! We will never forget the first time we had her homemade chicken and dumplings or how she would make them everytime she came to visit just to make us smile because she knew that was our favorite dish! Maw Maw had a way of making you feel special and letting you know just how much she cared. There's very little time that we can remember that she wasn't trying to help someone in need even if she might of needed it herself. She will be missed dearly by so many!*

*We love you Maw Maw Patsy,

“ *Grandma Patsy will absolutely be missed! I have memories as a teenager visiting her and she would make some of the most delicious food you've ever tasted. Her Vegetable soup and her stuffed peppers were the best! She cared so much for her family/extended family and always made everyone feel welcome. Our thoughts and prayers are with the family and we love you Grandma Patsy! -Mike, Steph and Jordan Farrell*
