“ *Betsy & Robbie*

Your Mother was my one of my favorite people. I loved her dearly. She was not only my Sunday School teacher when I was a very small child at the Methodist Church, but she was my wonderful friend while I was growing up and when I became an adult and worked with her and your Dad at Mattie.

She was a special lady! She was always so kind and good to everyone. She is at home with GOD now running on the streets of gold. Your Mom, Mrs. Hurst and Sue Harris were my special friends when I was growing up, I loved them all. Please accept my sincere and deepest sympathy for your Mother. May GOD bless and comfort your entire family and give you much peace in knowing she is in Heaven. I would love to be able to be there to honor her in person. I will be thinking and praying for your entire family. Pat Reedy Warner

“ *Betsy & Robbie: Please accept our sympathy in the loss of your mother. We are out of town at this time and will not be able to attend the funeral of our beloved friend. We loved Patsy, as everyone who knew her did, and have many fond memories of her as members of the Methodist Church.*

She always told that when I was a small child and became "lost" in the church, she found me in the bathroom struggling to get out the door.

She will always be in our heart.

“ *Betsy and Robbie,
Was saddened to read of your Mother's death in the Bristol paper. I have tried to keep up with your family through David Kelly, my dentist. I knew Pat was in a nursing home and would check on you all when I saw David. My mom is still living, 91, in Va. Beach near my sister. My Dad died this past Nov., he was 101. You both are in my thoughts. Love,
