“ *We were very sorry to hear of Paul's passing. He is my first cousin on my Mother's side of the family. His presence at the hospital when my Mother (his aunt) was sick and death last year was a comfort to our family. He will be greatly missed. Our prayers go out to his family.*

“ I cannot be there with folks for the funeral due to the extremely high cost of the plane ticket and not being able to take the time off work. My father and I had worked out an understanding over the years, and the last thing we told each other was "I love you." I hope my friends and family refrain from judgement as I process my grief in my own way. My thoughts are with anyone else sharing this grief.

“ *My thoughts, prayers and love are with all Paul's family and friends.*

Due to circumstances of bad health, I am unable to be there, but please know my bruised heart is there with all of you. Paul and I were not just cousins, but friends, almost all of our lives.

Paul was a truly good and honorable man. Always helping everyone, when he could.

When we buried my brother, Paul did the graveside service. As usual, at a time when we needed him, he was there, just as he was when Aunt Thelma died. He loved his family and showed that to all of us. There are lots more instances like that.

*He will be greatly missed by all who knew him.
Rest in peace Paul, you have earned it.*

“ *Michael, Our thoughts and prayers go out to you and your family. Paul was a very loving and honorable man, as evidenced by his devotion to his family and country. We had many great times at band camp, football games, and competitions, with your parents always there showing their support. Paul was the first to volunteer when any task needed to be done, whether it was to be a chaperone, haul the equipment, or head up a fund raiser. He will be remembered and sorely missed by all who had the pleasure to have known him.*

“ *Mike & Family,*

While I knew Mike from our days in High School, I also remember Mike's dad from our days in the Marching Band. My parents and I were always very fond of Mr. Grigsby and the laughter that he brought to any conversation. He was a good man who seemed to truly be in love with his family.

Please know that our thoughts and prayers are with you during this time.

Very best wishes,

The Hawkins Family (Todd, April & Anna Leigh)
