“ *The MARRS Family sends their love and condolences to Paul's family. I knew Paul for a while and thought a lot of him and Cleo. I remember Cleo bringing food to the Hospital for me , when their daughter and my wife were expecting babies , at the same time. We will be praying for the entire family. I did not learn till recently , I am related to Paul , wish I had found out sooner in life.*

“ *Dear Cleo and family,*

We are so saddened to hear of Paul's passing, but we know you will find comfort in your faith and the knowledge that he is free from pain and suffering. He has a great reward in store for him because of the way he lived his life here. May the Comforter bring you peace always.

We have many fond memories of our time in Richlands and our "luxury" apartment over your garage. Paul was a great brother and friend.

Love,

“ We were so sorry to hear of Paul's passing. He was a wonderful man that showed great compassion for all his friends and neighbors. We grew to love him and Cleo as we spent a year in their home and felt their love for us. They are truly wonderful friends and neighbors. We were sorry that we couldn't get back to see again. It was always our dream to make another trip to Appalachia. Our hearts are still their and we send our love to Cleo and all the family.

Sincerely,
