“ I remember when Wayne and Paula got married. I got to know them through Ann and also them coming to Mattie Williams Hospital. They were such a special couple. I loved getting to talk to Paula on the phone when she would call me. I loved her and Wayne. She always had that wonderful smile and such a great attitude. Her and Wayne were real sweethearts and loved one another fiercely. She loved her two boys and grand kids. I didn't know that Paula was sick and was so shocked to hear that she had passed. I will be praying for Wayne and their entire family. May God give you much comfort, peace and strength to get through these difficult days ahead. Love your family so much.

“ *So so sorry to hear this. She was truly a special lady. She and Wayne stopped by our home a few months ago to see my husband who had a stroke two years ago and she saw him in the yard as they passed by. She got Wayne to turn around and come back so she could see him. It touched him so much that they stopped by for a short visit. We will be praying for all of her wonderful family. Love and prayers from Dickey John (Moby) and Kathy Looney.*
