“ I was extremely upset to hear that sweet Jayne had left this earth into Heaven and my heart stopped for bit. I was born on the same day and our Mother's shared the same hospital room. Jayne was a few hours earlier and I use to tease her about that when I saw her and called her my "twin." Momma Sis use to always make a cake for me when I was home and gave it a special touch. Ms. Sis and all of the family, please know that my prayers are with you during this time for there are no words to express the deep sympathy that I share for your loss of Jayne for she was too young. God bless you and help you through this difficult time.

“ When I heard that Jayne had passed away I was filled with such sorrow and sadness my heart ached. In this life, only a few people touch you in a beautiful and wonderful way. Jayne was one of them. She was such a good friend always there for anyone who needed her. I loved her and I will greatly miss her. Our world has lost an angel and heaven has gained one.

“ Jane was such a nice and loving friend from the time I meet her at Layman's I have grown fawn to her family and feel she was a part of my family. Will never forget how she would make faces at us in the choir when we would sing but that was her nature. I am so glad you have made it home in heaven. No more sickness or pain. May God Bless your family.

*Love you always Jerry Campbell*

“ for Jayne:

*Oh! How my heart is breaking!  
The tears how they fall!  
My Friend you left a void  
When you answered Gods call.  
I'll think of you each day  
And remember days gone by.  
I never will forget you  
Nor ask God "WHY?"  
I know His plan is perfect,  
And one day we'll understand  
But until that time comes  
I'll keep holding to His hand.  
Cause I'll see you again, Sis  
Just you wait and see.  
And we'll walk Heaven together  
The Lord, you and me.*

*I Love and Miss you dearly!*

“ *To Jayne: Thank you for EVERYTHING! I love you and miss you already!!! I want you to know how very grateful I am that I had the rare opportunity to know such a wonderful person as yourself!!! I am a better person because of our time as friends! The only regret I have is that I didn't tell/show you more how very much I love and appreciate you! All of your knowledge that you have left with me has helped me so much as a person. And all of the great memories you left me with will forever be in my heart!! Please know that although I didn't say it nearly enough, I do LOVE you and will always remember you, You will forever be my friend! I will miss you more with each passing day, the memories will make me laugh and they will also make me cry, I will miss you more than you will ever know..I know that one day we will meet again, i can't wait to see your face! To The Family: I am so sorry for your loss, Your wife/mom/daughter/sister/friend cannot be replaced! Let the memories forever be in your heart as they will be in mine! When you think of her, smile, because she loved you dearly, talked about each of you daily! Please call on me if there was ever anything I can do! Love you all... Amy*
