“ I am very sorry to hear this news. Pauline was a wonderful lady. I picture the times sitting at the kitchen table - hear her voice and enjoy the kindness in her smile. I can still hear her call the kids names, for whatever we'd just done - yet not a sour note. Tired, sick, having a bad day - she was always the picture of kindness and willing to make one more step for anyone who needed her to. Please know that I keep you all in my prayers, and remember the good times. Blessings and peace to Pauline, and all her family and friends.

Please know that Kyle and I are praying for peace, comfort and understanding for your entire family. Just remember in heaven, there is no more pain and suffering, no struggling to breath and abosolutely no more cancer. Just try and imagine that pretty smile that Pauline now has back on her face.
