“ *It saddens me to know that she was our last link to that generation. She was one of the most beloved aunts to us all, and we will miss her greatly.*

Growing up, we always made time to stop at her house and visit her when we were in Virginia, and we always loved the way she made us feel when we were with her.

“ We were sadden to hear the news of Aunt Pearl passing. Want to let all of you know we are thinking and praying for you all. When I think of Aunt Pearl, I always think about her beautiful smile and her hospitality when anyone was visiting her home. She always wanted everyone to eat before leaving. Most of all, your family was always an inspiration to us of how you united together to do projects together, you do not see that often. We think about Doil and miss him so much.

Our sympathy is with you all and we love you all.
