“ *When she was just a toddler....we would take her to Wilmington, NC.....playing at the playground...watching the antics of the monkeys, feeding the ducks of the pond...the laughter from her lifted everyone's spirits ! As a teenager...the private chats between us are forever our secrets...as an adult, the love in her eyes for her children.... These are the ways I will remember Pearl Ann that will forever have a place in my heart and memories....Rest in Peace...Sweetie.....*
