“ *This is Connie Kimbel...Donna and Brad, I don't know if you remember me and my sister Lisa Kimbel...my deepest sympathy for the passing of your mom Peggy...she was related to me through my grandmother Margaret Kimbel. I remember like it was yesterday visiting her and her mother Eula who lived across the street from my great Aunt Annie. She had a wonderful smile and always made us feel so welcome.*

“ *Mrs. MARRS was one of my nursing instructors 39 years ago, and I loved her. She was an excellent instructor, and she was kind to everyone. She was often funny when she told us about her nursing experiences. I did well in the nursing profession, partly because of her, and I will always remember her fondly.*

“ Mike and I send our sincerest condolences on the death of your Mother, Peggy Marrs. My husband, Mike, was your Mom and Dad's minister from 1998-2000, serving Pisgah and Pleasant Hill UMC. Your parents invited our family to their home several times and were very gracious to us and always made us feel "welcome." I also had the opportunity of knowing your Mom, teaching in the music department at Southwest Virginia Community College, 1998-2009. She was very helpful and generous to a "new kid on the block." Peggy, as well as Bob, former Parishioners, will always hold a special place in our heart! Mike and I will be remembering you, Donna and Steve, as well as your family, in our thoughts and prayers. May God continue to give you comfort and peace.

“ I met Peggy at a Ft. Maiden Spring DAR meeting during her Regency and realized then just what a creative and lovely human being she was. Over the years we met at church services where I saw her faith and love in action. We do not say good bye but "see you later, my friend". My deepest sympathy to her daughter and extended family - you are in my thoughts and prayers.
